

YOUR PEACE OF MIND

We take care of your implants, so you don't have to worry...

We offer patients a unique warranty on dental implants which will remain in effect for 10 years.

You will not be charged any additional fees for treatments related to the implant.
(Hygienist visits, routine exams, and treatments unrelated to the implants will be charged)

During this 10-year period, you will be regularly recalled for check-ups and hygienist visits, allowing us to fully maintain your implant/s and your oral health.

DENTAL IMPLANTS

PLACED AT OUR PRACTICE

Terms and conditions:

4 hygienist visits a year | 1 Dental health review | Well-controlled diabetes | No smoking | Medically fit and well, No bone conditions.

If your implant (the screw in the bone) fails after the prosthesis (fixed teeth) has been placed, London Dental Specialists will ensure coverage of the rehabilitation treatment.
